Is the TORTUE a hotel? Not at all! It is the world en miniature, a refugee, a home, an escape, a private room, a living room, it is theater, catwalk, big opera. Its name stands for the world famous “Savoir-vivre” – the delightful art of living to never rush. It reminds us to take our time. Especially when we don’t have time. Because urgency and pleasure are mutually exclusive.

All the time in the world for many, many worlds. For those who love to rediscover themselves in a new mood and setting in every room. The TORTUE HAMBURG takes their guests with its different gastronomic temptations through styles, continents and eras.
